

1.1 Post Title: Construction/Building Services Teacher/Instructor**Responsible to:** Assistant Head (Quality of Education)**Grade:** TMS or UPS + SEN 1 or UQ Teacher scale**1.2 Accountabilities:**

- To be met in accordance with the provisions of the School Teachers' Pay and Conditions Document and within the range of teachers' duties set out in that document and the professional standards for teachers.
- The post holder may be expected to work across the Meadowbrook College sites, as required. The duties outlined in this job may be modified by the Headteacher with your agreement, to reflect or anticipate changes in the job and needs of the school, commensurate with the salary and job title.

1.3 Job Purpose:

- To play a full role in implementing Meadowbrook College's agreed learning and behaviour policies, taking responsibility for student's learning and behaviour both in and outside of the classroom
- To be a model of excellent practice, maintaining a clear focus on outstanding delivery to learners ensuring a centre of best practice and excellence

1.4 Specific duties and responsibilities:

- Take on the role of personal tutor to a group of students in KS3/4: teach on the RSHE team as required (tutor time and/or timetabled lessons); contribute to the development of the Pupil Profiles of the students in your tutor group; work with parents, schools and other professionals to support your tutees; support students with careers education, information, advice and guidance
- Be aware of safeguarding concerns and report concerns to the DSL
- Participate in regular staff-meetings and professional development sessions as required

1.5 Teaching and Learning

- Set high expectations for students by establishing a purposeful working atmosphere
- Take account of students' prior levels of attainment and behaviour and use them to set targets so that all students make good progress
- To keep full and detailed records of students' attainment and complete written reports on students' progress on a termly basis
- Make contact with parents/carers as appropriate in order to support the progress of students in your subject
- To take responsibility for planning and implementing appropriate programmes for the Construction curriculum, within the framework of national and school policies, to small groups of learners aged 11-16
- Work in collaboration with and support other team members/subject teachers to develop an inspiring and engaging curriculum
- Be familiar with students SEND, progress and behaviour targets for individual students and use them to plan effective learning experiences

1.6 Leading, Motivating and Developing

- Have teaching skills which lead to excellent results and outcomes. Demonstrate excellent and innovative pedagogical practice
- Contribute to the professional development (and performance appraisal where appropriate) of colleagues
- To undertake continued professional development and maintain an understanding and awareness of developments in education relating to working with pupils presenting social, emotional, behavioural and/or learning difficulties as well as in curriculum development
